TO: Tenants Using Terminal Parking Lot

FR: Cynthia Stewart, Airport Manager 

RE: Tree Pruning

This is to advise you that portions of the Terminal parking lot will be blocked off next week.

As you know, the trees on Airport Way and Perimeter Road have been undergoing long overdue pruning. Starting approximately Wednesday, October 31, 2001, the pruning of trees in the Terminal parking lot will begin.

We have asked the tree pruners to wait to start this work until the pavement rehabilitation in the intersection near the 7300 Building has been completed. The actual start date of the parking lot pruning is contingent upon the paving being completed on schedule.

We hope that you will recognize the benefits to us all of having a better maintained facility when this work has been completed. In the meantime, we apologize to you for the inconvenience of the cumulative impacts of the work. Thank you in advance for your continued patience.

Please do not hesitate to contact Karol Elwood, 205-0683, or me, 296-7430, if you have any questions.
